## FOOTHILLS BONSPIEL, AT VULCAN IN JANUARY

A meeting of the Foothills Curling Association was held in High River on Wednesday afternoon.

The Foothills Bonspiel is thrown wide open to any club which cares to send a rink. The membership fee for each club joining the association was reduced from thirty dollars to twelve dollars and a half. Each rink entered from these member clubs will be required to pay an additional entrance fee of one dollar.

The fee for outside rinks will be eight dollars. The fees were set at these figures so that the ones who did the curling and got the fun would pay the most. This will also mean the smaller towns along the line to join the association, thus insuring that the Foothills Bonspiel this year and in the future will be one of the premier curling events in the south.

January 12th is the date when the aged leader was unable to attend the closing ceremonies of the inauguration.

Gompers was the personal friend of six American presidents—McKinley, Roosevelt, Taft, Wilson, Harding and Coolidge.

## MEETING OF MACLEOD AGRICULTURAL SOCIETY

The regular annual meeting of the Macleod Agricultural Society was held at the Town Hall on Saturday afternoon when a good attendance of directors was recorded.

The financial report for the past year was read by the Secretary and although it showed a debit balance, considering the adverse circumstances for the holding of a fair in August last, the report was favorable, and showed great credit to the President, and other officers for the efforts they had put forward to assist the Society during 1924.

The following officers were elected to act for the ensuing year. Hon. Patrons W. H. Shield M.L.A., W. Cote M.P., and the Hon. George Hoadley, Minister of Agriculture for Alberta; Hon. Presidents C. Hammerley, H. Maunell, J. W. McDonald, K. C. O. Farnet and H. Mackintosh; President S. Hopp; Vice Presidents R. Carroll and Hugh McLean; Directors R. B. McNab, H. Wells, F. Hobbs, P. Tolley, F. Walsh, W. Chugr, R.J.E. Gardiner, A. T. Leather, J. Horner, H. Bell, C. Freeman, A. White, J. A. Edgar, J. Shield, J. Paisley; Secretary, Chas. K. Underwood; Treasurer to be appointed at next meeting.

It was decided to hold a two day fair in Macleod during 1925, the dates to be left open until the Fairs Convention in Calgary next February, when satisfactory dates would be decided upon.

A letter was read from the Granum Agricultural Association asking that Macleod and Granum combine forces next year, and hold a fair in Macleod for both towns. This matter was favorably considered and discussed by the meeting and was left over until the next meeting of the Board when there will be several of the Granum Agricultural society's directors present.

There is no doubt whatever that the Macleod Agricultural Society have made up their minds to go ahead, and with the newly elected officers working in harmony and co-operation there is nothing to hinder the forward movement, and Macleod is promised an Agricultural Fair in 1925 that it will have every reason to be proud of.

The people of Macleod should realize that the Fair is not solely for the farmers and ranchers, but they themselves should be just as deeply interested, as a good fair brings more people to the district, brings more purchasers for goods, and is one of the best boosts any town can have.

All members of the Macleod Board of Trade who have so far been interviewed have promised to help things along this year to make the 1925 Fair a record, business men have promised the same thing, and with such promises of assistance, and everyone pulling together, progression must be the outcome.

Macleod is the third largest town in Alberta, and there is no reason at all, why Macleod's Fair cannot be the biggest, best and brightest of any Fair in the province. No doubt the old adage "The proof of the pudding is in the eating" is a wise one, and the results forthcoming from the work of the officers for 1925 the Fair held

## MACLEOD HIGH SCHOOL STUDENTS ENTERTAINMENT A SPLENDID SUCCESS

Zero weather and a biting north wind did not check the ardor of the High School Students and their friends in staging the movie film "The Year of Wakeside" at the Methodist Church last Monday evening. In spite of the measles epidemic and adverse weather conditions the Church was filled to the doors.

The pictures were displayed under the direction of the University extension Department. Mrs. and J. Smith, of Edmonton, operating the machine, and the film proved very satisfactory to all present. The proceeds, amounting to about \$30.00 will be devoted to a fund to secure athletic equipment for the school.

The sale of tickets and all other arrangements was conducted by a committee of management composed entirely of students of the High School, with Sidney Brooks, chairman.

This committee is charged with the responsibility of devising further plans of organization for the development of the Literary, Social and Athletic development of the school.

The deep interest taken in this affair shows that community spirit is not lacking in Macleod, and quite naturally this interest centres in the School life of the town. With such spirit so evident, the urgent need for a closed in rink during the winter time and for a swimming pool for the summer season, should easily be met. "Where there's a will, there's a way."

next August, and the final standing of the Macleod Agricultural Society at the end of next year will be the proof.

## EDMONTON BANKER BECOMES MANAGER OF WHEAT POOL

Calgary, Dec. 13.—R. D. Purdy assistant manager of the Edmonton branch of the Bank of Montreal, has been appointed acting manager of the Alberta wheat pool.

His appointment was announced by R. O. German, secretary of the pool, on Saturday morning, following a meeting of the board of directors which took place on Friday.

It is expected that Mr. Purdy will move to Calgary and take over his new duties within a short time. In taking over the management of the pool he succeeds the late Chester Elliott, who headed the organization from its organization up to the time of his death during the summer.

In selecting Mr. Purdy for the position the board of directors followed their policy of employing young men to all important positions.

Mr. Purdy is 35 years of age. He was born near Belleville, Ont. He has been in Alberta for 18 years, and has spent 12 of them in Edmonton. His whole career to date has been in banking in Western Canada. Mr. Purdy, who was in the city on Saturday morning, told the Herald that he expected to move to Calgary within the next month. He said that he would prefer not to make any statement at present. Previous to joining the Bank of Montreal, Mr. Purdy was with the Merchants Bank.

While in Calgary Mr. Purdy has met with the various other officials of the pool, including George McIvor, who was recently appointed sales manager for the Canadian Co-operative Wheat Producers, an organization made up of the three western provincial pools.

Edmonton, Dec. 13.—R. D. Purdy, newly-appointed manager of the Alberta wheat pool, was born in Brighton, Ontario, and joined the Merchants Bank as junior clerk at the age of 17, in 1906. Five years later, still a clerk, he came west to Edmonton and has been here ever since. At the amalgamation of the Merchants Bank with the Bank of Montreal, he accompanied his manager, Frank Pike, to the local office of the Bank of Montreal. Although only 35 years of age, Mr. Purdy has shown marked ability as a banker, and his friends feel that the wheat pool has made a wise selection.

KEEP PEOPLE HAPPY  
Policy of Non-Interference Advocated by King's Physician

"We have no right to do anything which will diminish the cheerfulness and sociability of the world," said Lord Dawson during a recent debate in the British House of Lords. As Lord Dawson is one of King George's principal medical advisers, he speaks with authority, and his words have a wide significance.

It is generally recognized, for example, that smoking adds to the cheerfulness and sociability of mankind. Tobacco, from this point of view, is a beneficial and useful influence in the promotion of happiness.

A good musician in one who can hear new music and recognise the old scores it was stolen from.

You can continue to respect your friends if you will learn to say "no" when they need money.

Whom the gods would destroy they first equip with the notion that they could lick the world.

Believe it or not—a display of sport page fame would say—a man succumbed in Lethbridge recently through being literally talked to death.

That is the cause of death as placed on the death certificate by the coroner's physician. "Talked to Death!" The parties who perpetrated this fatal marathon of speech were not named but, the doctor insists the would-be spell binders killed the poor fellow. The sex of the guilty ones might throw some light on the mystery, but even that detail is lacking.

The certificate caused a rumour in staid government circles in Edmonton. Clerks, who for months pursue the even tenor of their way, studied this strange death certificate, turned it over, wiped their spectacles, smiled, then sobbed up, passing the new version of the cross-word puzzle to the "higher ups."

But the "higher-ups" were just as dumfounded.

"Talked to death!" Preposterous! Being a Farmer's government they gave the doctor a figurative "how laugh" and fired back the certificate. But the doctor was not disturbed by the pressure from Edmonton officialdom. He stood pat. "That's what the poor chap died of—talk. And I'll not change a word of it," he cried with grim resolution in his eye.

The registrar was in a quandary. But the certificate was finally sent back to the capital, and as far as is known it is now resting snugly and safely in the archives of the province. —Lethbridge Herald.

CONSULTATION OF DOMINIONS  
London, Dec. 12.—(Canadian Press Cable).—In the house of commons yesterday Premier Stanley Baldwin stated that the government was communicating with the governments of the dominions and he hoped to make a statement shortly regarding the proposals for a preliminary inquiry into a system of consultation on matters of foreign policy as outlined by former Colonial Secretary Thomas on July 20.

The test of prison reform is in reformed prisoners.

## THE PLACE THEREOF

The flowers that bloomed a few months since  
Have with the winter come to naught;  
But still their colored fragrance makes  
A little garden in my thought.

The seasons change, and in their turn  
The snowflakes and the birds depart;  
But still their happiness remains  
Inviolate within my heart.

—Alice Lawry Gould.

Incidentally, throughout the day Mr. Chaney was forced to carry 72 pounds on his back. It was another one of his tortuous roles for which he later paid the penalty by spending three weeks in a private hospital.

"Realizing that I had been chosen to play probably the most difficult role ever presented on the screen," Mr. Chaney said, "a role that called for the greatest artifice in facial transformation, contortion of the body, poetic, yet life-like impersonation, I put into my work all of the talent and capabilities possessed. Never have I worked so hard or so faithfully in presenting a characterization."

"At all times I had the help and encouragement of Mr. Carl Laemmle, who had impressed upon me the fact that neither time, effort or money was to be spared in making 'The Hunchback of Notre Dame' the greatest picture production ever turned out. Not only were we to be supplied with the biggest and most artistic settings ever used in a film play, as near perfect atmosphere for the unfolding of Victor Hugo's story as possible, but we were cautioned that the portrayals of the various roles would have to be on the same high artistic plane. The perfecting of this exactness in every detail required a long time, and the cost was stupendous, but I believe the results have justified everything that was done."

AGNES AYRES IN "WORLDLY GOODS"  
Paramount Screen Version of  
Sophie Kerr's Novel

Agnes Ayres comes to the Empress Theatre on Monday and Tuesday next in the Paramount picture, "Worldly Goods," the screen version of the Ladies Home Journal serial by Sophie Kerr. Pat O'Malley, Victor Varconi and Edythe Chapman, who have with them many of the Original Dumbells will be in town Jan. 19th at the Empress Theatre for one night only with their latest and biggest fun show "Stepping Out," headed by those ever popular favorites, Gene Pearson "The Male Gull Curve," and Bob Anderson Canada's cleverest character comedian, a native of Lancashire, with Alan Murray, Leonard Young (The Duchess), Bertram Langley, Jerry Bratford, etc. The Company, as before, is under the management of Percy Campbell, and directed by Leonard Young.

"Stepping Out" opens up with a re-union of the Officers of the—  
Battery, from the time Bob Anderson enters as John Willie Shambottom.

The production is a modern mat-

rimonial farce of newlyweds.

"Old stuff," you say? Not this one! The story is one of a promising young man (and that's the trouble with him—he's all promise and no performance), a loose-tongued automobile salesman who sells himself to a pretty young girl with his big talk and high ambitions. Pat O'Malley is "Fred Hopper," the salesman, and Miss Ayres has the role of "Eleanor Lawson," secretary to "Clifford Ramsay," manager of a big department store, a part played by Victor Varconi. Edythe Chapman portrays "Mrs. Lawson" in the production and Bert Woodruff is the father. Others in the cast are Maude George in a vamp role, Cecile Evans and Otto Lederer.

"Hepper," before marriage, promises "Eleanor" the world with a string on it. After she discovers that he was just stringing her along, "Ramsay" is also in love with "Eleanor" and when the latter comes to believe her husband more than passing interested in a married woman, he suggests she—  
the thing right there in the divorce court.

Some great comedy scenes follow, comical for audiences, that is, but all too serious for Hopper. Although he has cleared a small fortune in a deal in real estate, Fred feels that he is about to lose the one he loves best in the world. But a reconciliation is effected and Hopper informs his wife that now all his promises are to be materialized.

A tag shows them living happily "ever after."

"Worldly Goods," adapted for the screen by A. E. Towns, was written by Paul Bern. His second picture as a director, "Open All Night" was the first.

Larry Semon, star and producer of "The Girl in the Limousine," the First National picture which will be seen on the screen of the Empress Theatre Friday and Saturday, has appeared in the course of his long career before the camera in fully three hundred pictures. A great many of these were one and two reel pictures, made in those early days of the motion picture when the Keystone cops were in their heyday.

Semon became an actor quite accidentally. He intended to work as a director of comedy, but because he could not find the type he needed for a picture he acted in it himself. From that time on he has never stopped. He has acted in pictures, directed them, and written the stories every since.

"The Girl in the Limousine" is the comedian's first venture into the field of feature pictures. The production is an adaptation of a successful Broadway stage farce written by Avery Hopwood and Wilson Collett and produced by Al Woods. It is described as a rapidly-moving, thrilling and uproarious farce comedy.

Just as we love to hear old melodies so do we like to see old faces again. The Originals, that brilliant troupe of soldier funmakers, who have with them many of the Original Dumbells will be in town Jan. 19th at the Empress Theatre for one night only with their latest and biggest fun show "Stepping Out," headed by those ever popular favorites, Gene Pearson "The Male Gull Curve," and Bob Anderson Canada's cleverest character comedian, a native of Lancashire, with Alan Murray, Leonard Young (The Duchess), Bertram Langley, Jerry Bratford, etc. The Company, as before, is under the management of Percy Campbell, and directed by Leonard Young.

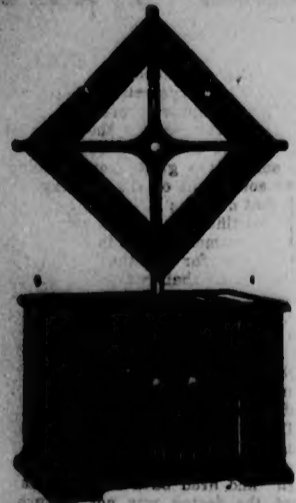

"Stepping Out" opens up with a re-union of the Officers of the—  
Battery, from the time Bob Anderson enters as John Willie Shambottom.

## A CHRISTMAS MESSAGE

I heard the bells on Christmas Day  
Their old familiar carols play,  
And mild and sweet  
The words repeat  
Of peace on earth, good-will to men!

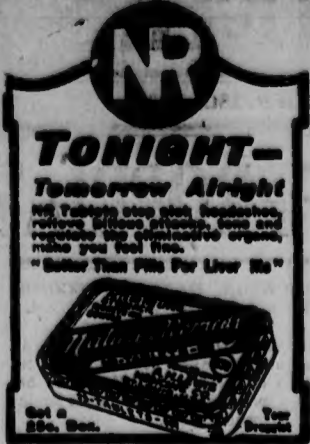

—Longfellow  
The Christmas Season with its feasting and merriment is with us once again. We see its influence reflected from the many happy faces as they pass us by. There seems to be a subtle magic in the air that is expressed by a heartier handclasp and a warmer welcome.

What a joyous gladness ring there is to that old-fashioned wish of "Merry Christmas," that we get from our friends. "The Same to You and Many of Them," we cheerfully answer back, with a sparkle in the eye. For Christmas is the one season that takes us away from the bickerings and cares of business, and fills our hearts with human love and understanding and sympathy; and poor indeed is he whose heart or purse does not respond to its magic call. Truly, at this season, "The Bethlehem Message," is a living inspiration.

We feel we cannot better express our feelings and wishes to our many friends in more fitting words than those of poor crippled Tiny Tim in Dickens' delightful fantasy, "A Christmas Carol"—  
"God Bless Us Every One."

## DISTURBING NATURE'S BALANCE

Dr. Serge Voronoff, father of the gland craze, says he can reinforce the gland structure of young animals in

such a way as to make them grow into giants. He believes that these overgrown animals will eventually breed offspring of their own proportions.  
In time, he says, he can give the world a race of super-animals and super-men.  
It is a dangerous business. Nature has set up a very delicate balance between all living things. That man should be five and six feet long and that the average pig should weigh around 150 pounds are essential facts in the scheme of existence.  
To upset the dimensional balance between the animals, higher and lower, is to threaten the whole evolutionary structure and to weaken the laws that govern the growth of that structure.

## ST. ANDREWS PRESBYTERIAN CHURCH

Sunday School Christmas Tree Festival will be held in the Parish Hall on Tuesday, Dec. 23, at 5:30 p.m.  
Games—Programme, refreshments and presents.  
Rev. J. Kennedy, Pastor.

## CHRISTMAS GIFT FOR THE FAMILY

The cheapest, best and most appreciated Christmas gift would be a year's subscription to the Family Herald and Weekly Star of Montreal. It costs only Two Dollars and the whole family would enjoy it. The beautiful art calendar for 1925 with a large picture in colors which goes with the Family Herald this year would help to brighten the home. We also hear that each subscriber is to receive a free entry to a popular contest in which ten thousand dollars in cash will be awarded. That is surely extraordinary value for the money.

## THE RULING PASSION

He owned a handsome touring car. To ride in it was heaven.  
He ran across some broken glass—Bill \$14.97.  
He took some friends out for a ride—'Twas good to be alive.  
The carburetor threw a fit—Bill \$20.85.  
He started on a little tour. The finest sort of fun.  
He stopped too quick and stripped his gears—Bill \$90.51.  
He took his wife downtown to shop To save carfare was great;  
He jammed into one lamp post—Bill \$288.  
He spent about all that he had. And then in anguish cried: "I'll put a mortgage on the house And take just one more ride."

## CAPITAL GOSSIP AND PROV. NEWS

### Alberta Did Well

Further particulars of the winnings of Alberta seed grain and livestock at the eastern exhibitions at Toronto and Chicago, give still more evidence of the splendid showing made by the Province. At Toronto Alberta livestock took more than 50 prizes as well as 10 championships and reserves, doing even better at Toronto than at Chicago.

In seed grain at Chicago Alberta took in all 43 prizes, as compared with 44 last year. Two firsts, one second place and three thirds were awarded to Alberta. A full list of winnings at both exhibitions is not yet available and will be issued later.

Alberta was second in International Competition at Chicago in the number of prizes won, Montana being first, and Saskatchewan third.

### Good Record in Savings Certificates

The Provincial Government savings certificate scheme has had another good year, according to figures for the purchases up to the end of November. The purchases during November totalled nearly a million dollars. The total purchases for the 11 months of the year were \$5,729,854.12, while withdrawals of savings amounted to \$5,015,062.48, leaving a net amount in the Government's Treasury of \$714,791.64 the third highest total since the inception of the scheme. The accumulated net amount in savings in the treasury's hands since the inception of the scheme in 1917 is \$5,346,503.

### Seed Grain Prices Set

The prices at which seed wheat will be sold from The Provincial Seed Cleaning Plant at Edmonton in behalf of the seed growers patronizing the plant, have been set as follows: For Marquis and Ruby seed wheat first generation, \$1.25 above the current Edmonton street price for No. 1 Northern at the time of sale. Second generation 80 cents above first generation 60 cents above fourth generation 50 cents above Extra No. 1 30 cents above. The prices for seed oats will be set at the annual meeting of the Alberta Seed Growers at Calgary January 20 but those wishing to purchase oats may send in their applications now to the plant at Edmonton and they will be protected in the order of their applications when the prices are set. Should these prices be not suitable to them, their applications will be returned.

### Provincial Seed Fair

The Annual Provincial Seed Fair is to be held in Calgary January 30 to 23, during the U.F.A. Convention, and the Annual Convention of Alberta Seed Growers will be held at the same time. The programme for the Convention includes interesting discussions led by prominent agriculturists. The usual annual dinner will be held at the Board of Trade, Calgary January 22nd. Judging at the Seed Fair will take place January 20 and 21, and the fair will be open to the public after 4 p.m. on January 21.

## HOMEMAKERS' CORNER

Now all our neighbors' chimneys smoke,  
And Christmas blocks are burning;  
Their ovens they with bak'd meats choke  
And all their spits are turning.  
Without the door let sorrow lie,  
And if, for cold, it hap to die,  
We'll bury't in a Christmas pye,  
And evermore be merry.  
(Withers' Juvenilia)

A Christmas "Pye"  
Here is a Christmas "pye" that used to be made more than two centuries ago:—Bustard, Peacock, Turkey or Crane-Pye:—Bone either of them, parboil, and lard it with large Lard, then season it with Salt, Nutmeg and Pepper, of each two ounces and a half, your Paste being ready, lay in the bottom thereof some Butter with some beaten Cloves, then lay in your Fowl with the rest of the seasoning thereon, with a good quantity of Butter, close, bake it and when baked and cold, fill it up with clarified Butter.

Plum Pudding  
Here is a Plum Pudding recipe from among the "Things Mother Used to Make":—Take 10 or 12 Boston crackers, split them open and soak them over night in milk. Use a large pudding dish that will hold 3 or 4 quarts. Put in a layer of crackers, a handful of raisins, 2 tablespoons of sugar, cinnamon and nutmeg, and a little butter on the crackers; repeat this three times. Then have a layer of crackers on top. Make a custard of 3 or 4 eggs (5 is better), 1 cup of sugar, a little salt, and milk enough to fill the dish to within 2 ins. of the top. Bake in a SLOW oven 4 or 5 hours. Let it stand till cold, and it will slip out of the dish whole. Serve it with hot sauce.

### Christmas Guests

There are so many homeless folk in the hotels and boarding houses and school dormitories—so many, too, who are unable, for one reason or another, to go home for the Christmas holiday, that it is an especially gracious thing for those who have homes to invite some of these unfortunate to share the Christmas cheer. America is often known as the home of hospitality and the land of the most generous hostesses. But guests should not take advantage of this. A well-bred, considerate person always seeks to make the hostess's efforts as light as possible when she

is trying to make the visit pleasant. If the hostess suggests some sort of entertainment, the guest should aid her and should in all things show consideration and regard for the rights of others in the home. In the conversation, even though you "don't feel like talking," to an effort and entertaining as you can (not necessarily "Smart Alex"), not merely in one of the number of

## MAPLE LEAF FLOUR

We have been selling MAPLE LEAF FLOUR for several years and it continues to give the UTMOST SATISFACTION and to make new friends.

### THE MAPLE LEAF CLUB

This is something new. It consists of Canadian Housewives who use MAPLE LEAF FLOUR. MAPLE LEAF CLUB MEMBERS receive by mail free a complete course in Cookery Arts and Kitchen Management in 20 lessons extending over a period of five months.

This course is under the direction of Anna Lee Scott, the well known authority on all household problems pertaining to the preparation and serving of food for any occasion.

MAPLE LEAF CLUB MEMBERS have also the privilege of asking her about any special recipe, any cooking problem, any entertaining problem, how to conduct any special social affair, how to serve any particular dish for any particular occasion.

Let us explain how you may become a member of the MAPLE LEAF CLUB.

MAPLE LEAF FLOUR is rapidly becoming in fact "The National Flour." It already enjoys the greatest export business of any Canadian flour, and we confidently expect that it will soon occupy the foremost position in the domestic field.

We Wish all Our Many Friends a Very Merry Xmas

## LOCAL AND PERSONAL NEWS

Mrs. D. Morrison, of Swift Current, is the guest of Mr. and Mrs. W. R. Morrison, Mr. Morrison being her son.

Miss Molly Mathews was the guest of Miss Lillian Becher during last week-end, attending the Masonic Ball while at Macleod.

K. Ringland left town this week to spend the Xmas holidays with his father, Mr. James Ringland, at Coleman, where Mr. Ringland has charge of the rink in that town.

Members of the A.F. and A.M. are to be congratulated on the great success of their annual ball, which was held in the Silver Grill hall on Wednesday night. Visitors were present from High River, Nanton, Claresholm, Granum, Coleman, Pincher Creek, Lethbridge, and other points in the district. The hall was neatly decorated, the music good, and the two hundred who attended greatly enjoyed the big Masonic function.

Mrs. A. Walsh is leaving shortly to visit friends in Los Angeles, San Francisco and other American cities.

Mr. and Mrs. R. W. Clarke, of Calgary, are the guests of Mr. and Mrs. W. R. Morrison. Mrs. Clarke's visit to Macleod is of a business nature, representing R. H. Williams & Co. (Calgary), in Ladies Ready to Wear, displaying winter coats, afternoon and evening dresses, etc., at Miss A. M. Wilson's Millinery store.

DON'T FORGET THE Great War Veterans Christmas Tree at the Town Hall on Monday afternoon at 4 o'clock, December 22nd. This tree is for the benefit of all kiddies of returned men and children of all mem-

## Radio

There is more instruction and pleasure to be gotten from a Radio than the average householder can imagine. The cost which used to be high is no longer. Look for instance at the price of these instruments. You could give your boy one to which he can add by his own inventiveness at any time, in the following:

A One-Tube set all ready to run at \$27.50.

Two Tube "Marvel." This is as good an instrument as you could wish for. Complete with Tubes, Batteries and Aerial \$45.00.

Radiola III at \$45.00  
Radiola IIIA at \$80.00  
Accessories cost about \$7.50

We also have the following: A one tube set in a hand polished mahogany finish case all wired and ready to listen in. Range about 1000 miles for \$30.00 complete with Aerial and Batteries.

These are absolutely guaranteed.

### J. T. Doney

JEWELER

bers of the G. W. V. A. Club. Mothers invited. The Committee has arranged a great time for the youngsters and Santa will have a gift for all.

At the regular semi-monthly meeting of the Macleod town council held on Monday the 15th of December, business was mostly of a routine nature apart from the passing of a by-law numbered 385, in amending the license by-law in its relation to pawnbrokers and second hand dealers, and providing that all such shall report in written form to the Chief of Police each Saturday after the hour of 12 o'clock noon a correct and legible list of all personal property and other valuable articles purchased by such dealers during the preceding week, together with data as to time of purchase and descriptions of persons or persons from whom purchased. Also the new by-law increases the license fee of second hand dealers from \$15.00 to \$35.00.

On Wednesday evening of this week an enthusiastic and well represented aggregation of Macleod's hockey fans met in the rest room, and with J. W. McDonald acting as chairman, organization was effected. W. Shield, M.P.P., J. W. McDonald and J. Swinerton were elected honorary presidents; F. Walsh, president; Dr. Kirk, vice-president; W. R. Morrison, secretary-treasurer; M. Dean, manager; A. C. McDonald, assistant manager. Executive for the citizens, F. Timleck and R. J. E. Gardiner; executive for the players W. Hamilton and N. Dillingham. At an executive meeting held immediately after the organization meeting it was decided to phone Claresholm and Staveland with a view to forming a three-club league. Macleod has some excellent hockey material and it is hoped that a league will be formed in which doubtless Macleod would be favorably heard from.

At the general annual meeting of Macleod hospital board held in the rest room at 8 o'clock on Wednesday evening the 17th, there was an extremely good attendance of townspeople. President Swinerton occupied the chair, and directors J. W. McDonald, C. A. Mercer, Wesley Shield,

and C. W. Stevens were present. The financial report for the past year was favorable, and was accepted as read and adopted. Altogether the hospital activities for the year were shown to be satisfactory. The balloting on nominees for the 1925 board resulted in the following being elected: C. A. Mercer, J. Swinerton, W. Shield, C. W. Stevens, Arthur Young, with W. H. Shield, M.P.P., as honorary member. Mayor McDonald and W. A. Day (chairman of the finance committee) are ex-officio members of the board. The new directors will (as usual) at the first meeting in the New Year elect a president and officers.

MISS A. M. WILSON

## REACH & COMPANY, LTD.

DRY GOODS, BOOTS & SHOES, CLOTHING, ETC., GROCERIES, EVAPORATED AND FRESH FRUITS

IT is getting near Xmas and the New Year, and the Grocery Department is making preparations. Crystallized fruits and candy look very tempting, all kinds of vegetables, hot house salads, grapes, oranges, apples and bananas. We will notify you later on of all additions to our united Happy Vegetable and Fruit Family.

## DRY GOODS

We are making preparations for Xmas, and we strongly advise you to buy your gifts while you have the money, also while the selection is fresh and varied. Later on you won't have such a large range to choose from. It is wonderful how little in the way of Xmas Gifts it will cost you. For a gift costing you 25 cents or one dollar the returns one hundred fold increased. It is worth you boys and girls, to sacrifice a quarter or fifty cents to buy an initial handkerchief for your Mother and Father and see the vapor mist enveloping their eyes, to think they were not forgotten by their loved ones. We have on hand the largest stock of INITIAL HANKERCHIEFS, ever had. Initials for your mother, father, sisters and brothers. Exchange the courtesies of this festive Season. You girls, buy a tie for your brothers. You boys, buy a handkerchief of that exquisite bobbed hair sister of yours. Oh, what a happy atmosphere will be created.
